## Cape York News

NEWS FROM THE CAPE

Cape York has enjoyed a good wet season with steady soaking rains over several months. Early travellers will enjoy the greenery. The road is also being graded before the main tourist season .

*Seaman Dan, the fantastic singer/songwriter, is to release another album in August 2011. The songs are not original, but some of Seaman Dan's old favorites.*

The Torres News has some great local information. Check out this story about a proposed ban on commercial fishing in the Coral Sea.
